

# Geologie, Mineralogie, Ozeanographie

## FabiO - Fachbibliographien und Online-Datenbanken

[ [FabiO-Startseite und Register](#) ]

## Geologie

[GeoGuide](#) (SSG-Fachangebot der SUB Göttingen)

[Deutsche Datenquellen: Geowissenschaften](#) (Universität Karlsruhe)

[Cornell's Digital Earth](#)

[Digital Library for Earth Science Education](#) „provides access to quality teaching and learning resources about the Earth as a system for a wide range of learners“

[GeoDatenZentrum](#) Bundesamt f. Kartographie u. Geod&auml;sie: Service f. Geobasisdaten Deutschlands

[Earth Science World](#) Angebot des American Geological Institute mit vielen Themenseiten: u.a. große Image-Datenbank, interaktive Zeit-Skala

[g-o.de](#) Das Internet-Magazin f. Geo- u. Naturwissenschaften

[Glossary of Geologic Terms](#)

[The North Africa Research Group GeoNet](#) A platform for the exchange of ideas and information about geology and exploration in North Africa

[NOAA's National Geophysical Data Center \(NGDC\)](#) provides scientific stewardship, products, and services for geophysical data from the Sun to the Earth and Earth's sea floor and solid earth environment, including Earth observations from space

[EarthRef.org](#)

[PACER: The Workplace for Earth Reference Data and Models](#)

[PSIGate](#) („...aims to provide access to high quality Internet-based resources in the physical sciences: astronomy, chemistry, earth sciences, physics, science history and policy, and aspects of the material sciences“)

[U.S. Geological Survey World Wide Web Information](#)

[Structural Geology Resources](#) The Cutting Edge group at Carleton College

[Useful Links - Department of Earth Sciences of Brock University](#)

[West's Geology Directory: Miscellaneous Topics](#)

## Baden-Württemberg

[LANDESAMT F. GEOLOGIE, ROHSTOFFE U. BERGBAU BADEN-WÜRTEMBERG](#)

[Netzwerk Erdgeschichte in Baden-Württemberg](#) u.a. Tipps f. Geo-Touren

## Edelstein

[Geology of Gemstones and Precious Stones](#)

## Höhlen

[Höhlen in Deutschland](#) Höhlen, Quellen, Bergwerke u.a.

[Der Lehmstuhl](#) Informationen rund um die Speläologie: Glossar, Links u.a.

### Einzelne Höhlen

[Vela Spila](#) A Stratified Prehistoric Site (Island Korcula - Kroatien)

## Bergbau

[Coal Mining History Resource Center](#) UK

## Erdbeben

[GeoHazards International](#) A Nonprofit Organization Working Toward Global Earthquake Safety

[IRIS: Data Management System](#) („The purpose of IRIS is to develop and operate the infrastructure needed for the acquisition and distribution of high quality seismic data“)

[NORTHERN CALIFORNIA EARTHQUAKE DATA CENTER](#) „a long-term archive and distribution center for seismological and geodetic data for Northern and Central California“

[The Pacific Northwest Seismograph Network](#) All about earthquakes and geologic hazards of the Pacific Northwest

[USGS National Earthquake Information Center Home Page](#)

## Mineralogie

[Mineralogy Database](#)

[Links for Mineralogists](#) Annotated links to internet resources, especially for mineralogists, petrologists, crystallographers, geologists

## Ozeanographie

[United Nations Atlas of the Oceans](#) „The Atlas is an information system designed for use by policy makers who need to become familiar with ocean issues and by scientists, students and resource managers who need access to underlying data bases and approaches to sustainability“

[Arbeitsgemeinschaft meereskundlicher Bibliotheken \(AMB\)](#) - mit Links auf die beteiligten Bibliotheken  
[Katalog der meereswissenschaftlichen Bibliotheken Deutschlands](#)

[Census of Marine Life](#) „a growing global network of researchers in more than 45 nations engaged in a ten-year initiative to assess and explain the diversity, distribution, and abundance of marine life in the oceans - past, present, and future“

[OceanExpert](#) Directory of Marine & Freshwater Professionals - „The Directory of Marine (and Freshwater) Professionals is a database ... containing information on individuals involved in all aspects of Marine or Freshwater Research and Management. It is intended to be a tool for scientists, policy makers and anyone who needs to contact a marine or freshwater professional. A 'Professional'“

is defined as a person who, through his/her job, has expertise related to the research and management of the aquatic environment.“

[The Index to Marine Geological Samples - World Data Center for Marine Geology & Geophysics, Boulder](#) („...a cooperative effort between nineteen oceanographic institutions and government agencies that maintain marine sample repositories to provide information on the contents of their collections to help researchers locate marine sediment and rock material for further analysis“)

[MarLIN - The Marine Life Information Network for Britain & Ireland](#) („...will provide the most comprehensive and easily used source of information about marine habitats, communities and species around Britain and Ireland)

[National Oceanographic Data Center \(NODC\)](#)

[Ocean Biogeographic Information System \(OBIS\)](#) “...an on-line, open-access, globally-distributed network of systematic, ecological, and environmental information systems. Collectively, these systems operate as a dynamic, global digital atlas to communicate biological information about the ocean....”

[NOAA Ocean Explorer](#) Created by NOAA, this resource offers several categories of valuable content, including the „Explorations“ area, where visitors can follow a number of featured ocean expeditions. For those who find themselves interested in how all of this is made possible, the „Technology“ section offers comprehensive descriptions and explanations of the equipment used on such voyages

[ONR Science & Technology Focus: Oceanography](#) „Alive with facts, breathtaking images of the deep, and a wealth of information, the Office of Naval Research's Science & Technology Focus site is bound to be a hit with everyone, young and old“

[CIESM GUIDE OF MARINE RESEARCH INSTITUTES](#)

[Woods Hole Oceanographic Institution](#) Research Departments: Applied Ocean Physics and Engineering Department; Biology; Geology & Geophysics; Marine Chemistry & Geochemistry; Physical Oceanography

## Paläontologie

[The Bibliography of Fossil Vertebrates Online - The Indexed Published Literature of Vertebrate Paleontology, 1509 - 1993](#) (Society of Vertebrate Paleontology)

[Dino Directory](#) „provides basic information on 229 of the most well described dinosaurs.

Complemented by 933 images, the dinosaurs can be searched by scientific name, body shape, or by time period“

[Eurodino Database Project](#) „The database is designed to inform professional and amateur paleontologists of the locations of originals or casts of each dinosaur in each museum in Europe“

[Neogene Mammal Database of the Old World \(NOW\)](#) contains information about Eurasian Miocene to Pleistocene land mammal taxa and localities, with emphasis on the European Miocene and Pliocene - University of Helsinki

[The Paleontology Portal](#) „a nice resource for anyone who may be interested in the field of paleontology“ / University of California Museum of Paleontology

[Review and Atlas of Paleovegetation](#)

## Vulkanologie

[USGS Cascades Volcano Observatory \(CVO\)](#) u.a. Volcanoes, Volcanic Glossary, Hazards

[Volcano World](#) The Web's Premier Source of Volcano Info

Ansprechpartner und Redaktion: [Horst Hilger](#)
